

Clear Email Quick Reference Guide

- Log in at <http://webmail.clear.net>
You can also use your favorite email client to view your Clear email. [Click here](#) to see how.
- Enter your username and password and select **Sign in**
Your email username and password are set up through My Account.

The screenshot shows the Clear.net login page. At the top left is the 'clear' logo. To its right is the text 'Welcome to Clear.net'. Below this is a green box containing the login form. The form has the following elements: 'Sign in to your account at Clear.net', a 'Username:' label followed by a text input field, a '@clear.net' label, a 'Password:' label followed by a text input field, a 'Sign in' button, and a link that says 'I cannot access my account'. To the right of the login form, there is a heading 'Less spam, plenty of space and access from anywhere.' followed by a welcome message and three bullet points: 'Keep unwanted messages out of your inbox with Google's powerful spam blocking technology', 'Keep any message you might need down the road, and then find it fast with Google search', and 'Send mail, read new messages and search your archives instantly from your phone.' At the bottom left of the page is the copyright notice '© 2009, Clearwire Corporation' and links for 'Privacy Policy' and 'Terms of Service'. At the bottom right is the text 'Powered by Google'.

Forgot your email address and password?

Click "I cannot access my account". Once you are logged in to your Clear My Account, select Email under My Services. Here you will be able to see all email addresses you have on your account and change the password for each one.

1 To send an email:

- Chose **Compose Mail** from the menu on the left
- Enter the email address of the person you want to send **To:** or find the address in your Contacts list.
- Enter the **Subject** of the email
- Type your email in the large field.
- When you are finished, choose **Send**.

2 To add a contact:

- Choose **Contacts** from the left side of the page
- Click **New Contact** in the top-left corner
- Enter the contact information
- Click **Save** to add this to your Contacts

3 To read your email:

- Double click on the email you want to view
- The email will open
- You can **Reply** to, **Forward** and even **Delete** the email while you are reading it.

Your Clear email is loaded with lots more features.
